## Kia Ora Parents/Whanau

Welcome to our new students this week: Nevi Maniapoto-Laws and George Apiti

The children and teachers are all getting stuck in to their work after a refreshing break. Classes are studying Matariki and this will culminate in a trip to Hopu Hopu for the Matariki Celebrations later in the term.

Thank you for working hard to get your children to school every day. Room 11 was the winning class with 96.6% attendance. Unfortunately the school-wide attendance percentage for Term 1 is only 86%. This is a concern. Even more of a concern is that 13% of the absence is unjustified. That is not for sickness or bereavement. Both the school and the Ministry of Education are aiming for at least 95% attendance with no unjustified attendance. We will be sending reminder notices to families whose children's attendance is less than 95% even if it was for sickness or bereavement so that you know that we are concerned.

Ruben, the Road Safety Bear visited the juniors today to remind them of the procedures for crossing the road (Stop, Look, Listen and Link), traveling in the car and for wearing helmets when riding their bikes. Please help to reinforce these messages at home.

**Nga mihi**
