## Crawshaw School Newsletter Term One, Week Five 8 March, 2018

*Kia Ora Whanau,*

It was great to see so many whanau members at Goal Setting Conferences last night and we are expecting lots more of you tonight. Our teachers really value learning what you know about your children and hearing what your goals are for them.

Jump Jamming with Brett Fairweather was a blast. Did you see the live feed on Facebook? I have to say that the kids are way quicker than some of us adults at picking up the moves. He was advertising the Jump Jam Competitions later in the year so if you are interested in your child being in a team let us know. If we get enough interest we will endeavour to work with you to meet the need.

Our Year 7 and 8s have been give consent forms for the upcoming immunisations. Please get them back as soon as possible to help the Public Health Nurses with their planning.

Staff and whanau had a great time learning the waiata and actions for Te Rā Whakamaumahara Torutekau Tau last Thursday. There is another practice tomorrow night, Friday, at 5.15 if you can make it. I believe that the new song will be ready for us to learn. **Don't forget to register and pay for the evening event by the 29th March** . We need to know how many are coming so that we can have enough food, seating etc. Registration Forms are available on the school website, [www.crawshaw.school.nz](http://www.crawshaw.school.nz), fourth tab on the left.

You may not realise that NZ Schools are not open on Easter Tuesday. This is an Education Act ruling that will impact on you this year as Easter is not in the school holidays. Please mark your calendars now and prepare for a longer break than you might expect.

We have our second Garden Working Bee, 9.00-12.00 on Saturday March 17th. We need lots of hands to make it light work. We are so lucky to have Whaea Christine Charteris and Shephard Isaac to run and supervise this in their own time. Do come and support them.

Nga mihi

### Kiwi Can

Our theme for this term is  
Positive Relationships

#### New topic: Co-operation

Co-operation is a team operation

“Kiwi Can looks like .. songs, champions, put ups, leaders, giving things a go, warm, a lot of people, friendship, organized, crocodile claps, positive, green, peaceful, creative, colourful, sun, games, cool, exciting, chairs, tables, responsible, funny buzzers ... Kiwi Can looks like home”. This excerpt was taken from our **Spoken Word** activity with the year's 7 & 8. What better way to know what Kiwi Can is, just ask the students. These students summed up what Kiwi Can looks like perfectly♥

Up & coming: Dingle Games term 2
