“Give them wings so they may fly”

Crawshaw School Newsletter

Term Two, Week Two

10 May, 2018

Kia Ora Whanau,

A big welcome to our new students and their whanau who have arrived this week. We hope you will have a long successful learning journey with us.

Staff and students have been completing a behaviour survey this week to help us see whether Positive Behaviour 4 Learning is working. We will be comparing it with the 2015 and 2017 surveys. I will be able to share results with you soon.

Marble Season is on again. This is a great chance for our tamariki to show responsibility and respect in the playground. Student Senior Leaders will be supporting them to do this as well as duty teachers. Please help your child by making sure that they have a container for their marbles not just their school bag. Marbles are for break times only and must not be played with or fiddled with in class time at all.

Winter sport has begun and there are lots of practices happening at lunchtimes and after school. It is pleasing to see so many children taking part and learning sportsmanship as well as skills. Do remember to encourage them in a positive way at games and keep to the [Sports Code of Conduct](#).

Whaea Belinda, the educator in the Life Education Mobile Classroom, and Harold, finish at Crawshaw today. The students have all been talking about what they have learned about Where our food comes from and Where I can go for help. Thanks again to Waikato Sunrise Rotary for sponsoring us to this programme.

The Keeping Ourselves Safe Parent/whanau meeting had to be postponed and will now take place on Thursday 17 at 2.30. The programme itself will still begin in Week 4.

Nga mihi

From the Board of Trustees

Next meeting, 4.00pm, 16 May. The principal will be reporting on the Feb Standardised Assessment Results; Sistema; He Waka Eke Noa, our Community of Learning; and the Annual Report will be presented. All welcome.

Pies and Pyjamas

Next Friday 11th of May we will be fundraising for Ronald McDonald House. Children can wear Pyjamas, dressing gowns and slippers to school for the day. They will need to bring a gold coin. We will also be having Pies and a sweet treat for lunch, \$4 each.

All money will be going to Ronald McDonald House.

Hoodies are still for sale at the school office. **\$40**. These are nice and cosy for the winter weather and we do have sizes that will fit our middle or senior students.

Sistema Waikato: 2018 Enrolments Open!

Sistema Waikato is a free musical social development programme for children to learn and explore orchestral music and instruments. We are holding a fun, interactive information session for Year 2 and 3 children from 11:40am - 12:40pm on Tuesday the 29th of May in the Crawshaw School Hall. There will be choir games and 'whisper' violins, as we give children a chance to see what the Sistema music programme is all about. Parents are welcome to attend this session to enrol their children in the programme and ask any questions they may have.

Contact programme manager Kendall McEwen at sistemawaikato@gmail.com if you have any questions.

Crawshaw School Daily Toothbrushing Program:

After a successful trial at the end of last year Colgate has approved to continue this throughout the whole school. All classes will be brushing teeth first thing in the morning. The intent is to teach all children the importance of regular tooth-brushing and encourage them to continue this as a lifetime habit.

If you do NOT wish your child to be involved in this please let the school office know.

The Skool Loop App

'Dear school families, as you may be aware the Crawshaw School App (The Skool Loop App) has had a number of updates in recent days.

This is to ensure your experience of the Crawshaw School App is smooth and seamless.

When you next open the school app there is a prompt which asks you to tap on the link to take you to the new and updated version of the Skool Loop app.

Please click on this link and download the new version of the Skool Loop App. Choose our region and school and the app will automatically stay on the Crawshaw school app.

Once this has been done please delete the old version of the Skool Loop App off your phone.'

[e² Young Engineers](http://www.youngengineers.nz) (Young Engineers) is all about having fun while learning and it's here in Hamilton and Cambridge at 3 great locations, Hukanui Reformed Church Rototuna, Hillcrest Baptist Church Hillcrest and Fencourt Hall in Cambridge. A programme that is enjoyable for both girls and boys. Children will learn about the basic principles of Science, Technology, Engineering, Maths and Physics by building motorised Lego models - how cool is that!

For more information – please go to www.youngengineers.nz.
