Crawshaw School Newsletter

Term Two, Week Six

7 June, 2018

Kia Ora Whanau

The classes that went to **Arbor Day**, Rooms 1,3,4 and 9, had a great day. The weather was beautiful and the tamariki so proud of their ‘planting’. They will be able to return next year to see how much the trees have grown.

We have a big group of students representing the school at the **North West School Winter Sports Day** tomorrow.. We know that they will demonstrate our school values of Respect/Whakaute, Responsibility/ Takohanga and Learning/Ako on the day. This event takes place at different venues across the city; netball at Minogue Park, soccer at Bremworth Park and rugby at Swarbrick Park, all leaving school at 11.00pm. Thanks so much to Vicki Meagher for organising this event and to those parents/whanau who are coaching, managing or supporting teams for this event.

Teachers and students are looking forward to sharing their learning progress and achievements at **Learning Conferences 27/28 June**. There will be booking forms with the next newsletter or you can book on www.crawshaw.school.nz. We are aiming for a 100% turnout as we feel it is so important to celebrate learning with you, so do expect a time allocated to you even if you forget to book one!

There has been a great response to our request for support for the **Teachers Paid Union Meeting** on Monday 25th June by letting them leave school at 12.50, with many of you bringing back the permission slip or filling it in online. We will include it again in the next few weeks in case you have misplaced your newsletter. Please note that if we do not have a written response from you, your child will not be allowed to leave school until 3.00pm or until signed out by a parent/caregiver.

This coming Monday, June 11, we welcome the **Education Review Office** team for our review at a powhiri at 9.30am. We would love you to show

support for the school by attending and welcoming them with us. They will be at school at various times during the week, talking to the BOT, staff and students about their learning and achievement and observing the process in classrooms. The lead reviewer will be Fiona Gibson supported by Paora Stucki and Nicola Davies.
