## Term One, Week Seven

### 22 March, 2018

*Kia Ora Whanau,*

It is with great excitement that we wait to be able to use the new piece of equipment installed on the Junior Playground. This was in part paid for my money raised at the Fun Run a few years ago and partly from Board funds. I am sure that the tamariki will get lots of enjoyment from this. Do come down and see it.

Senior Camp is fast approaching. It was great to see so much support from parents/whanau at the camp meeting last night. The activities look awesome: caving, BMX, archery, kayaking and more! Please get your payments in as soon as possible. We are happy to receive drip feed payments either in person or on-line. If you are struggling with this please see me. We don't not want any child to be disadvantaged.

A big thank you to Whaea Christine Charteris and Matua Shephard Isaac and the whanau members who helped with the Garden Working Bee. I know there were not many of you but you did a fantastic job. We really appreciate your support.

**Don't forget to register and pay (\$5 a head) for the 30th evening event by the 29th March .** We need to know how many are coming so that we can have enough food, seating etc. Registration Forms are available on the school website, [www.crawshaw.school.nz](http://www.crawshaw.school.nz), fourth tab on the left. We have 250 registered so far. Ka pai!

Hoodies have been printed for the event in various adult sizes, \$40 each. These will be available from the school office from Monday. Payment must be upfront. No holds. First in, first served.

Reminder: NZ Schools are not open on Easter Tuesday, 3 April.

Nga mihi  
 Jill Littlewood

## Kiwi Can

Our theme for this term is  
 Positive Relationships

### New topic: Cooperation

Cooperation is a team operation

We have fun, we play games ..  
 we are learning!

We liken cooperation to a chain - it is strong, connected and well supported.  
 We spoke about what happens to the chain/team when a link is broken .. cooperation is a team effort and if there is a broken link we should support them and reconnect .. Be a chain, strong and supported!
