“Give them wings so they may fly”

Crawshaw School Newsletter

Term Two, Week Ten

5 July, 2018

Kia Ora Whanau

We appreciated the number of you who came to Learning Conferences to share the learning of your tamariki. We would love to get feedback from you as to what you found most useful and whether you have any suggestions to improve these meetings. You can fill in the online form on the school website or the box in this newsletter. All returned feedback will go in the draw for a Duffy Book each for your tamariki.

The **Duffy Theatre** was slick and polished yet again. There is a snippet of the show on the school Facebook page you can share with your tamariki to remind them of the show so that they can tell you what happened and what they learned from it.

Tonight is the whanau meeting for all those interested in the 4 day **Hokianga Trip** in November for Year 5-8 students. It is really important that a whanau representative comes to the meeting at 6.00pm if you wish your tamariki to come. Places will fill fast!

The **Dances for School Performance** is at at 11.40am, tomorrow, Friday, July 6th. Everyone has been practising and you will be amazed. Bring the whanau!!

With another term drawing to a close, both students and staff are showing signs of needing a rest. We hope that you all enjoy your break from school and come back refreshed and ready for learning.

Nga mihi

A Big Thanks to Christa from STITCH FOR LOVE for their generous donation of Beanies and Scarfs for our tamariki to take home

Rosetown Community Services Trust (RCST) is an established community trust based in the heart of the Waipa District in

Te Awamutu with more than 20 years experience successfully operating Rosetown Counselling Centre. Three years ago RCST oversaw the introduction of Loving Arms project to the Waipa District providing essential items and support for new mothers and their babies. 2017 was a big year for the Trust which saw the introduction and a success of our pilot Pathways Whare Ora programme based in Te Awamutu Primary School. Also in planning stages are Pathways Youth Mentoring and Stitch for Love.

Stitch for love engages those with passion and time for knitting, empowering them to produce high-quality, woolen clothing and blankets. These handmade items are then distributed through community agencies to households and schools who can distribute gifts to those in need.

Stitch for love appreciates your support by way of donated wool or knitting equipment.

If have any spare to donate please drop to the school, much appreciated

Hoodies are still for sale at the school office. \$40. These are nice and cosy for the winter weather and we do have sizes that will fit our middle or senior students.
