“Give them wings so they may fly”

Crawshaw School Newsletter **Term Three, Week One** **26 July, 2018**

Kia Ora Whanau

Welcome to all our new students, teachers and whanau. We look forward to getting to know you better and working and learning with you.

Welcome back to everyone else. Everyone is looking calm and rested and ready to launch into learning again.

Sadly, the teacher

we had hoped would take Room 14 for the rest of the year was unable to take up the position. We have, however, been working hard to find a new teacher and Ms Kirsten Hickman will start at Crawshaw next week. She will take some time to get to know the Room 2 children and set up Room 14, before we make the move.

If you have a student in Year 8 you will have received a flyer about the Fraser High Information Evening tonight. This is a great chance to meet the Y9 teachers and some students and get a feel for the school. We encourage you to attend with your tamariki. There are also Open Day Tours of the school on 1 August at 9.00am and 5.00pm.

We have two important hui next week:

*Wednesday 2 August at 6.00pm is for the whanau who have signed up their Y5-8 student for the **Hokianga Trip** in November.*

*Thursday 3 August at 6.00pm is for all parents to inform you of, and offer you, a free cyber safety package, **Family Zone**. Come and find out more about how you can protect them online and on their phones where-ever they are.*

On August 11, 9.00-

*12.00 we have our next **Garden Working Bee**. We are keen to get the vegetable garden area ready for spring planting and to plant some trees that have been kindly donated by Hamilton City Council.*

You are probably aware that teachers, like nurses, are in the middle of stalled pay and condition negotiations. Thank you to those of you who have spoken of your support for the cause. I can confirm

years and part of this collective bargaining is to ensure that we have enough teachers in the future. Once we have more details of the upcoming strike we will let you know. There is a possibility that we will be able to provide some childcare at a cost of \$30 for the day. Please let the office know if you would take advantage of this, given the opportunity.

Nga mihi

Family Zone Hui, 2 Aug, 6.00pm

As part of our ongoing commitment to educational excellence and our duty of care to ensure students' safety and well-being, we're proud to announce that Crawshaw School has partnered with Family Zone.

Family Zone is the leading provider of cyber safety security services to both schools and parents. We've selected Family Zone because:

- **Broad suite of network and device services:** Family Zone offers the school a broad suite of services to enable us to deliver digital citizenship programs and manage our access policies across the school network and on student devices.
- **School Community features:** Family Zone offers both school and parent features allowing our school community to work together.
- **Cyber Experts:** Family Zone is the platform of choice for leading cyber safety experts and educators

We will be introducing Family Zone over the next couple of weeks, with a parent evening on Thursday the 2nd of August, starting at 6.00pm. Please check for another email next week where we will give you further information about how you can access Family Zone's solution for you and your family.

In the meantime, if you'd like to learn more about Family Zone and how it works, please visit the website [here](http://www.familyzone.co.nz). Please **do not** subscribe via the website as the school will be providing you with an account at no cost.

We are committed to ensuring our students get the very best education and in today's fast moving times, technology is a key component. However it's abundantly clear to all, that technology is exposing our children to risks. Our school is choosing to tackle these challenges and we do so in full confidence that we'll receive the support of our school community.

If you have feedback on this decision, please email me on principal@crawshaw.school.nz
