“Give them wings so they may fly”

Crawshaw School Newsletter

Term Three, Week Two

2 August, 2018

Kia Ora Whanau

Welcome to all our new students and whanau.

We have two important hui coming up.

*Today, Thursday 2 August at 6.00pm is for all parents to inform you of, and offer you, a **free cyber safety package, Family Zone**. Come and find out more about how you can protect them online and on their phones where-ever they are. See our Facebook page for more information but do come along tomorrow night.*

*The whanau meeting for those who have signed up their Y5-8 student for the **Hokianga Trip** in November is now on Wednesday 6 August at 6.00pm. **Please note the change of date. It is not tonight!** We definitely have enough interest for this trip to go ahead. Now we just need to raise the funds!*

*We have great news that Bunnings are sponsoring our school gardens. A big shout out to them. Saturday, August 11 from 9.00- 12.00 is our next **Garden Working Bee**. We are keen to get the vegetable garden area ready for spring planting and to plant some trees that have been kindly donated by Hamilton City Council.*

*Teachers have voted to **strike** for the whole day on Wednesday August 15. It is important to us that we have your support. Come and talk to us tomorrow and see the information to the right. We may be able to provide childcare on this day at a cost of \$30 for the day. So far no-one has indicated interest but please do let the office know if you would take advantage of this, if offered. It is not guaranteed that we will be able to provide it at this point in time.*

Nga mihi
Jill Littlewood

Family Zone Hui, 2 Aug, 6.00pm

As part of our ongoing commitment to educational excellence and our duty of care to

ensure students' safety and well-being, we're proud to announce that Crawshaw School has partnered with Family Zone.

Family Zone is the leading provider of cyber safety security services to both schools and parents. We've selected Family Zone because:

- **Broad suite of network and device services:** Family Zone offers the school a broad suite of services to enable us to deliver digital citizenship programs and manage our access policies across the school network and on student devices.
- **School Community features:** Family Zone offers both school and parent features allowing our school community to work together.
- **Cyber Experts:** Family Zone is the platform of choice for leading cyber safety experts and educators

We will be introducing Family Zone over the next couple of weeks, with a parent evening on Thursday the 2nd of August, starting at 6.00pm. Please check for another email next week where we will give you further information about how you can access Family Zone's solution for you and your family.

In the meantime, if you'd like to learn more about Family Zone and how it works, please visit the website [here](http://www.familyzone.co.nz). **Please do not subscribe via the website as the school will be providing you with an account at no cost.**

We are committed to ensuring our students get the very best education and in today's fast moving times, technology is a key component. However it's abundantly clear to all, that technology is exposing our children to risks. Our school is choosing to tackle these challenges and we do so in full confidence that we'll receive the support of our school community.

If you have feedback on this decision, please email me at principal@crawshaw.school.nz

Friday Fundraiser Lunch

Help support our tamariki travelling to Hokianga in November

Cheeseburger and Baked Fries

\$5

Western Utd Crawshaw Vipers 11

vs

Southwell School

Time: 10.00am

Crawshaw School

Yesterday Crawshaw Netball teams were privileged to have Lenzie Potgieter GS for the Magics come into our school. She taught us some valuable shooting skills and gave us all some very positive feedback. After that we had time to ask her some great questions and an opportunity for poster signing and photos. All the teams had a lot of fun.

Myah and Manaia Room 13

Kia ora Whanau!

Teachers and principals have consistently raised high workloads, lack of support for students with additional learning and behavioural needs, and undervaluing of the profession as key issues over the last few years. NZEI have tried to address these issues through previous rounds of negotiations and through work programmes.

Although NZEI have made some progress, it has been insufficient to address the deep-seated and fundamental issues facing our profession. This has led to a crisis in recruitment and retention of teachers and principals.

So the 2018 "Kua Tae Te Wā/It's Time campaign" has been launched to achieve the significant investment we need so that all children can reach their potential, and teaching is an attractive, valued and well-supported profession. Schools around the Country will be sharing the message with local communities on **Friday 3rd August 2018**.

We need your support, whanau, to ensure the government understands that this crisis can only be solved by major investment. So tomorrow you might see a few signs around the school with the "Kua Tae Te Wā" logo and some messages from our teachers. There will also be a **frame** decorated by students by Room 2 where you can have your photo taken to show your support.
