**“Give them wings so they may fly”**

## Crawshaw School Newsletter Term Three, Week Four 16 August, 2018

*Kia Ora Whanau*

*The **Native Garden Working Bee** was a great success. Thank you so much to those of you who came and helped, to Whaea Christine who organised it all with Shephard, to Whaea Rachel and Mrs Wells who came and helped and brought supporters. The plants were all planted and mulched and it is looking fabulous. If you couldn't come this time the next job is the vegetable gardens so watch this space!*

*You may have noticed that the installation of our new **Drinking Fountains** has been happening over the last few weeks. We encourage the drinking of water at school and now two of the fountains have bottle fillers so if your child brings a water bottle to school they can refill it easily.*

*Thank you for your patience and support of the **teachers strike**. It really is important that we advocate for your tamariki. It is getting harder and harder to fill teaching positions and find relievers. This is about quality teachers and adequate support for learning, for all.*

Following the **Family Zone** whanau hui we are beginning the process of setting up this cyber safety platform. You did not have to come to the meeting to take advantage of our offer. Have a look on the website <https://www.familyzone.com/crawshaw-nz> to find out more. If you have an email registered with school you will receive more information soon. If not just text your name and email address to 027 722 3608 and we will add your details to our management system.

Nga mihi,  
 Jill Littlewood
