“Give them wings so they may fly”

Crawshaw School Newsletter Term Three, Week Five 23 August, 2018

Kia Ora Whanau

*On Wednesday I attended the **Gallaghers Young Innovative Challenge** prize giving. It was a pleasure to see three of our Y3 boys, Ali Mahmood, Sharruk Jotheesan and Rishaal Prakash receive first prize. They did a great job, showing teamwork and creativity, and I think that they were the youngest placegetters. Thanks so much to their parents and Whaea Rachel for the great support.*

*It is with much regret that we have had to cancel the **Hokianga Trip**. Many whanau were heavily engaged in the trip but sadly, we did not get the required numbers to make it viable and wanted to let you know as soon as possible. We appreciate the time and effort that many of you already put in to help make the trip a success. We are committed to providing the tamariki with another goal to work towards and will let you know what that is as soon as we can. If you paid the deposit a refund cheque will be available from the school office from 3.00pm today. Any funds raised for the Hokianga Trip will be used for this so that the same children get the benefit. Thank you for your understanding.*

*We would like to remind you that **Breakfast Club** is in the multi-purpose room each morning from 8.00-8.30am. You are welcome to send your tamariki to enjoy breakfast with others. If you could spare one morning a week to help run this programme we would love to hear from you.*

Sadly, Whaea Stacey Neilsen has won a new position at Taupiri School and will be leaving us at the end of next week. Whaea Stacey has been teaching at Crawshaw for nearly 4 years and has also coached a number of sports teams. We appreciate all the time and effort that she has put into the school. You are invited to a farewell assembly for Stacey next thursday at 11.40am Whaea Christine Charteris will be teaching R7 until the end of term.

We are also sad to announce that our Social Worker in Schools, Jenny Clifford, will be finishing at Crawshaw tomorrow. Jenny is our first SWIS and we

have been privileged to have her support for nearly 5 years. I know that many whanau have appreciated Jenny's support too and will join us in thanking her. We wish her all the best in her new role.

*Nga mihi,
Jill Littlewood*

Sept 21 9.30am Duffy Role Model Assembly. All welcome.
Sept 28 2.00pm Attendance/PB4L Assembly.

Crawshaw Winners (no wings clipped here!)

Three tamariki from room 9 were justifiably rewarded this week, at a special prize giving presentation held at Wintec. Ali Mahmood, Sharruk Jotheesan and Rishaal Prakash were awarded 1st prize for their entry into the Young Innovators Challenge, sponsored by Gallagher. The Challenge was to design or create an idea that's 'good for the world' and was open to children aged 3-18.

Naming themselves the NatureTech Kids, the three amigos spent their lunch breaks and weekends coming up with an idea to design 'Robodogger 2018'; a solar powered rubbish collecting and recycling dog. Robodogger would go around

school picking up litter that was dropped around school. The judges enjoyed watching their presentation which showed "evidence of co-creation and creativity". A massive thank you to Ali's Mum, Ayesha, who helped to make this possible and a huge thank you to Ali, Sharruk and Rishaal, for making Whaea Rachel so proud of you all. I wonder what will be your next challenge?

Community Notices

Open with **FREE**

KidsCan Fundraiser

Wacky Hair Day

On Friday last week we had 'Wacky Hair Day' this was to raise money for Kids Can who donate shoes and jackets to schools. It was great to see so many different styles and ideas on the day. Thank you to the parents that helped with some of the hairstyles.

We had 3 winners on the day:

Junior School: Ataahua from Room 4, Middle School: Visan and Senior School: Tiarna Room 13.

The winning class for having the most children take part were Room 3.

The children received a prize each (thankyou Whaea Cindy) and the winning class enjoyed hot chips and bread.

Well done Crawshaw.
