**“Give them wings so they may fly”**

## **Crawshaw School Newsletter Term Three, Week Seven 6 September, 2018**

### ***Mālō e lelei!***

*We are lucky to have such a diverse student group. We can learn so much from each other. It is Tongan Language Week this week and next week is Te Wiki o te Reo Maori. ‘Kia Kaha te Reo Māori’ We want to encourage everyone to increase the level of Te Reo that they are using. We will be listening and giving special pink tickets if we catch reo being used!*

*Next week is also Clean Up New Zealand Week and classes will be heading out into the community to help make our area clean. Do check with your child’s teacher when and where they are going, if you would like to support them.*

*Cross Country was a great success. Thanks to all whanau members who came and support our tamariki on the day. We were lucky with the weather until right to the end when the skies opened on our littlies! We posted photos on our Facebook page so do take a look. A big thank you must go to Whaea Vicki and her team of student helpers for all the organisation.*

*Rooms 5, 10 and 11 are visiting **Te Rapa New World** today to support their learning about reading food labels for nutrition facts. They are learning about what our bodies need and what they don’t. You can double the impact of this learning by talking to them at home, about what they have been learning. Thanks to the whanau members who are helping with this trip. We couldn’t do it without you.*

*Thanks so much to those of you who have donated toast spreads for **St Vincent De Paul** who provide lunches our children. If anyone else would like to donate just bring any donations to the office and we will hand them on.*
