

"We are here to learn"

5 November 2020

Aue! What happened to the weather? Fine and dandy earlier this week, then rain all day! Aue. At least I can say the grass is certainly earning a well deserved drink.

This is my segway into our new bike track. It is open for students and teachers to use. We will be developing our rules as we trial our track this term. First rule is helmets must be worn while using the track. There are plenty of other rules but we'll keep it as simple as possible to maximise fun and as many opportunities for them to enjoy the challenges.

Today, I await our end of year data so I can prepare it over the weekend for analysing and reporting to our Board of Trustees, parents/caregivers and our students. I am sure we have improved already so will be in touch soon.

In the meantime, please enjoy the weekend with your treasures, kia haumaru be safe, kia pai be good!

Breakfast Club

A very big THANK YOU to Mila Haydock's Mum and Dad for the spaghetti, bread and margarine for the Breakfast Club. We are very very grateful to you both!

Road Safety

Please keep our students safe by parking in the correct areas. Parking on the yellow lines or in driveways restricts the view of our Road Patrollers. No parking in the school bus area.

Also, please remember not to park in the Staff Carpark as it isn't safe for our tamariki.
