

"We are here to learn"

12 March 2021

Tena tatou katoa,

What a cracker Friday to end this week? Sun is shining, birds are singing, cicadas are chirping! Just a lovely way to head into the weekend.

SCHOOL UNIFORM

As we head into the cooler, wetter months, I encourage you to purchase our school jerseys. These are very warm and continue the pride that our kids enjoy knowing they are from Crawshaw.

CLASSROOM SPACES

Earlier this week I informed the teachers where they will be located as we await the renovation of block B and the location of our 2 new modular buildings to the front and rear of the school. Teams are now discussing their transition through to these spaces. Most of these discussions will centre on the adults working in and around those spaces.

WEEKEND WORK

This weekend a large group of local church volunteers will be onsite finishing some garden tasks for us. Thank you all for your wonderful actions in our school community.

GREEN TICKETS

We have noticed a huge increase in the green tickets arriving at our office.

These are handed out to students who have shown the school values of being respectful, being responsible and a learner. This means our kids positive behaviour is on the rise!

COVID 19

Please continue to scan wherever you are, practice good coughing etiquette, wash hands regularly and if you're feeling crook, seek medical advice.

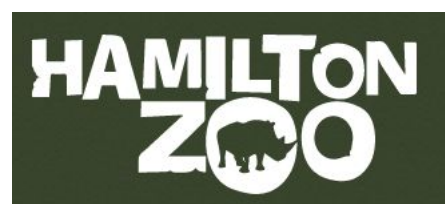

Finally, the NRL season began last night with a great game. Hopefully my Warriors side can start off the season with a good win. Enjoy the weekend with your treasures

Easter in the Park

The Good News Community Centre and St Marks Church are looking forward to their annual Easter in the park event which they invite you to be part of on Sunday 28th March at Dominion Park from 3.00-5.00pm. This free event will have bouncy castles, easter egg hunt, face painting, food, competitions, prizes and lots of fun. If it is raining it will be at the Good News Community Centre on the corner of Dominion Rd and Breckons Ave.

Vege Gardens

Do you want a raised garden bed in your backyard and to be shown how to grow your own food - **for free?**

We have an amazing lady, Chelsey, who has started a great program for those who want to learn. Garden box, seedlings/seed and support is free.

If you're keen and prepared to do the mahi to maintain it, come along to an info session at Crawshaw School, 2:30-3:00pm Wednesday 17 March.

If you can't make this time, call Chelsey on 0211508223 or email gardensforgoodnz@gmail.com for more info and to sign up.

After School Program

We are currently at capacity so are not taking any new enrolments for this program. Once construction has been completed in the new classes, more spaces will become available.

Breakfast Club

If your child is in need of breakfast, this will be open from 7:30 - 8:30 each day in the School Hall.

Do we have your correct contact details? How can we contact you in the event of an emergency? Please make sure we have all the correct information!
